

Triangle Community Center

2016 Community Partner Package

From the Desk of Executive Director Anthony Crisci

Dear Friend,

Triangle Community Center (TCC) is the only agency directly providing services for the LGBTQ community in Fairfield County. This is a responsibility we share with many volunteers, sponsors, business partners, and others. It is because of your work and support that we have been able to accomplish all of the great things we did in 2015. Because of people like you and organizations like yours, we have been able to serve over 200 clients in 2015-- the inaugural year of our case management program. In 2015, we welcomed over 2,000 guests to Pride in the Park, TCC's Pride festival for Fairfield County. We housed individuals in our co-sponsored housing program and helped get lives back on track. We are very proud of the work that we accomplished together with so many thoughtful and caring individuals like you.

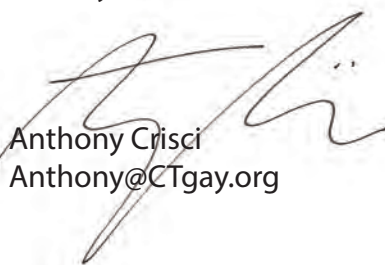

We aspire to help more people in need in the LGBTQ community in 2016. In a community that faces higher rates of substance use, mental health illness, HIV/AIDS, and homelessness than its peers we need your help to ensure that we can continue to be a source of support throughout the year, a center of celebration during Pride, and a center for the community that welcomes everyone.

TCC is very excited for what is ahead in 2016. Offering more services across the breadth of our corner of Connecticut, we have more programs, more activities, and a greater audience with whom you can engage. We are building a community with you.

Whether you want to support TCC and engage with our donors at the Visionary Party, our largest annual fundraising event with over 300 guests per year, or you want to be part of the jubilation at Pride, reaching thousands more, TCC would like to work with you to give you what you are looking for: a chance to engage with the LGBTQ community, hands-on volunteer activities for your organization, and above all a chance to support a nonprofit that directly helps the community.

It is my sincere hope that you consider becoming a community partner of TCC in 2016. Take a look at this document, and please do not hesitate to reach out to me with your questions! I am excited to continue to build community with you.

Thank you,

Anthony Crisci
